Print on plain white paper - Part # 122919

INSTALLATION INSTRUCTIONS

Replacement Post Mount Assembly (Kit 153339)

Figure 1

Figure 2

1. INSTALLATION PROCEDURE

1. Disconnect wall mounted light from the power supply.
2. Remove the wall mount covers and remove the light from the mount (Refer to the illustrations in Installation Manual TPW1581).
3. Remove the existing post mount by removing the 8 socket head screws (See Figure 1).
4. Install the new 1-7/8" ID post mount provided with the kit.
5. Install the new bearing on the light arm and tighten the two set screws to hold it in place (See Figure 2)
6. Re-assembe the light (Refer Installation Manual TPW1581).
